

## Wordle Word Tester Pairing Exercise

A	D	I	E	U
R	U	L	E	R
P	U	R	E	S
R	U	P	E	E

Wordle Rules:

For each letter of the word submitted, test:

1. If the letter is not part of the word
2. If the letter is part of the word but in the wrong spot
3. If the letter is part of the word and in the correct spot

Eg: adieu:

```
{  
  "a": ""  
  "d": ""  
  "i": ""  
  "e": "right spot"  
  "u": "wrong spot"  
}
```

4. Also the guessed word must have a length of 5 characters.
5. Also the guess should be a valid English word matched against the provided dictionary

["about", "above", "admit", "after", "allow", "adieu", "board", "break", "bring", "build", "carry", "catch", "cause", "chair", "check", "child", "dream", "drive", "early", "eight", "enjoy", "enter", "event", "every", "exist", "field", "fight", "final", "first", "floor", "focus", "front", "glass", "green", "group", "guess", "ruler", "rupee"]

Note: If a letter appears twice in a word, and one of the characters is in the correct spot, then the other character in the incorrect spot is to be considered to not be part of the word

Eg: green:

```
{  
  "g": ""  
  "r": ""  
  "e": ""  
  "e": "right spot"  
  "n": ""  
}
```
